

# Continuing Learning

learning.burnabyschools.ca

Grade: Kindergarten (Learning can extend K-7)

Category: Numeracy

Title of Lesson: Explore Indigenous Language Through Numbers

First Peoples Principles of Learning: Learning is embedded in memory, history, and story.

Indigenous Competency: Mental (skills, knowledge, thought)

Spiritual (sense of self and connection to others and the land)

Big Idea: Numbers represent quantities that can be decomposed into smaller parts

Content: Number concepts to 10 (counting in more than one language including local First Peoples language or languages)

Materials Needed:

- Laptop or iPad
- A collection of objects from around the house that can be counted: a collection of rocks or sticks or beans or pasta, etc...
- An egg carton with the last two pieces cut off to make a 10-frame or draw a 10-frame on a piece of paper with enough room for one of your objects in each frame. For example:
